BRIEF DESCRIPTION OF THE ORGANIZATIONAL MODALITIES AND TEACHING METHODS

THEORY CLASSES	During the first classes the professor teach the two first chapters in from of the students to give them a reference about the way of preparing presentation in from of the class and to fix the goals of the course.
PROBLEM-SOLVING CLASSES	We use this modality when a conflict appears during one of the presentations and we have to solve the problem all together analyzing the own reactions and the origin of the situation.
PRACTICAL WORK	We practice in from of the class with presentations that the students prepares and works for the class that they design. The professor and the rest of the students provide feedback to the group that is presenting each work.
INDIVIDUAL WORK	Participation of the students during the classes and to provide feedback to the classmates is individual and valuable for the professor to evaluate the students.
GROUP WORK	All students should prepare a work in group about one of the topics of the course
PERSONAL TUTORING	The professor is available for the students to consult any doubt about the contents of the course or the dynamics of the classes.
